Confessions and catechisms of the reformation

CHRISTIAN COURAGE AND THE STRUGGLE FOR THE SOUL OF CIVILIZATION

The church on the eve of the reformation answer key. What is the significance of confession. Confessions and catechisms of the reformation pdf. What happened in 1545 during the reformation. The role of confession in christianity.

10. And because the powers that God commanded, and the freedom that Christ bought, do not intend to destroy, but mutually to defend and preserve each other, who, through the claim of Christian freedom, if opposed to Any legal power, or the legal exercise, whether civil or ecclesiactical, resists God's order. Chapter 9 of the free will 1. Our first parents, being seduced by subtlety and attemption of Satan, sins, when eating the forbidden fruit. Men should not be content with general regret, but every man's duty is trying to repent of his particular sins, especially. Under the Gospel, when Christ, the substance was displayed, the orders in which this pact is dismissed are the preaching of the word and the administration of the sacraments of baptism and the supper of the Lord: that, though less as large and administered with more simplicity and less external hammer, but in them, it is kept more fully, evidence and spiritual effectiveness, to all nation, both Jewish and Gentiles; and is called New Testament. The prayer must be done for legal things; And for all kinds of men who live, or to live: but not for the dead, nor for those from whom they can know that they sinned sin to death. Those who, in their obedience, reach the greatest height as possible in this life, are so far from being able to overrogate and do more than God requires, as well as no. He does. Chapter 25 of the Church 1. This effective call is of God's free and special wagon alone, nor of anything foreseen in man, which is totally passive, until, being accelerated and transmitted in it. The Pope of Rome also can, in any sense, be his head. 3. We recognize the interior illuminations of God's Spam is necessary for the saving understanding of the things that are revealed in the Word: and that there are some relative circumstances to worship God and government From the Church, common human action and societies, which must be ordered by the light of nature and Christian prudance, according to the general rules of the word, which must always be observed. God, of all eternity, made, by the most subium and sacred counselor of his own will, free and immutable and immutable and immutable and immutable to order anything that passed: yet, just as God is not the o Author of sin, even the violence is offered to the will of the creatures; The freedom or contingency of the second causes is also removed, but established. In his view, all things are open and manifested, his knowledge is infinite, infallive and independent of the creature, so that nothing is for him contingent or uncertain. But the acceptable way to worship the true God is instituted by itself and so limited by itself and so linited by itself and imagination and devices of men, or The suggestions of Satan, under any visible representation, or any other way not prescribed in the Holy Scriptures. The first alliance made with man was an alliance of works, in which life was promised to be promised; and in it his posterity, under the condition of perfect and personal obedience. Which sacrament is, with the name of Christ, to be continued in his church at the end of the world. However, it is the duty of Christian to marry only in the Lord. Adult or fornicated for a contract, being detected before marriage, lasts only an occasion to the innocent party to dissolve this contract. As is the law of nature, in general, due proportion of time will be separated for God's worship; In his word, by a positive, moral commandment and that binds all men in all ages, ages, He particularly appointed one day in seven for a bad one, to be kept sacred to him: that, since the world, the resurrection of Christ, was the last day of the week; And from the resurrection of Christ, it was transformed on the first day of the week, which, in Scripture, is called the Lord's Day and must continue to the end of the world, like the Christian Sudden. This cathanic church is sometimes more, sometimes less visible. The reading of the Scriptures with godly fear, the sound it preaches and an conscious audition of the Word, in obedion to God, with understanding, fan © and Review, Singing of Psalms with Gray in the heart £ The; As well as the appropriate administration and the receipt of the sacraments instituted by Christ are all parts of God's common religious worship: alongside religious oaths, votes, solemn fasting and action Bureau of special occasions, which are, in their own times and ways, to be used in a sacred and religious manner. This corruption of nature during this life remains in those who are regenerated; and though it is, through Christ, forgiven and mortified; However, both in themselves, and all their movements are true and properly sin. A legal oath is part of religious worship, in which, on occasion, the person solemnly calls God to witness what he claims, or promise, and to judge him according to truth or falsehood, than he swears. The most samby, just, and graceful god often comes out, by an estimation, their children for comes out, by an estimation, their children for the corruption and deceit of their hearts, so that they can be humiliated; and to elevate them to a more close and constant dependence on their support on oneself, and make them more vigilant against all future occasions of sin and sacred purposes. Being the root of all humanity, the guilt of this sin was imputed; and the same death in sin and corrupted nature, transmitted to all their posterity that descending them by common generation. None is no other redeemed by Christ, effectively called, justified, adopted, sanctified and saved, but only the elected. True believers may be guaranteed their salvation several ways shaken, diminished and intermitted; as, by negligence in her preservation, falling into some special sin that impairs the awareness and wanted the spicy; For some sudden or vehement attempts, by God, with the light of his countenance and suffering, even as he fears that he walks in the darkness and not having light: yet they are never totally utterly devoid of this seed of God and the life of Fan ©, that love of Christ and sister, this sincerity of heart and awareness of the duty, of which, by the operation of the Spam, this guarantee can, in due time, be revived; And so, in the meantime, they are supported by total despair. It is the duty of civilian magistrates to protect the person and the good name of all their people, in an effective way that no person suffers, either through the claim of religion or infidelity, to offer unworthiness, violence, abuse or lesan To anyone else: and to take order, that all religious and ecclesiastical assemblies are kept without molest or disturbance. Although repentance is not rested, like any satisfaction by sin or any cause of its end, which is the act of free will of God in Christ; However, it is so needed for all sinners that no one can expect forgiveness without it. A vote is of similar nature with a promissory oath, and should be done with similar religious care, and to be performed with similar religious care, and to be performed with similar nature with a promises without it. of salvation, the internal evidence of those so much such promises to be made, the testimony of the Spam of Adoption witness with our spories. that we are the children of God, that the innocent party processes the division: and, after the division, marry another, as if the offensive part was dead. 6. The sacraments are signs and saints of the alliance of the rest in him: as well as, put a visible difference between those who belong to the church and for the rest of the world; and solemnly to surround them with God's service in Christ, according to His Word. This communion that the saints with Christ in any aspect: one of which to state is Ampia and blasphemy. 5. Those of humanity that is predestined with life, God, before the foundation of the world was placed, according to his eternal and immutable proportion, and the secret lawyer and the good pleasure of his mere free and free love, without the prediction of fan ©, good works, or perseverance in any of them, or anything else in the creature, such as conditions, or cause MOVAN -- LO; And all to praise your glorious manner. God has all life, hammock, goodness, openness, by Himself. And it is alone and to itself enough, not needing any creature he has made, nor deriving any gloon of them, but only manifesting his own glory, by, at © they and over them. Chapter 13 1. Church censorships are necessary to recover and win the offensive sister to dissuade others from similar crimes by leaving that yeast that can infect the whole dear, to vindicate the honor of Christ and their seals, to be desecrated by notary and obstinate criminals. Chapter 15 of repentance for life 1. All who were common also to believers under the judgment of the great day. God surpassed man's will with this natural freedom, which is not for the way, nor, by any absolute need of nature, determined to good or evil. So that, believing in these doctrines, or obeying such commands, by awareness: and the demand of a fan © implour, and an absolute and blind obedion, is destroying freedom of conscience and reasons £ o Of this. After God made all the other creatures, He created man, man and woman, with reasonable souls, â € hydons, and immortal ,ch of knowledge, justion and true holiness, after his own image; Having the law of God written in its hearts and power to fulfill it: and yet, under the possibility of transgressing, being left free of its own will, which was subject to change. The distance between God and the creature is very great that, although reasonable creatures, " Abbey and reward, but for some volunteer condescension in God, which he had the pleasure of expressing through the Alianã. All those who are justified, God attest, in and to his schium son Jesus Christ, to make the participants of the wagon of They are taken to the number and take advantage of the freedoms and privileges of the children of God, have their names about them, receive the spirit of admonition, somus access to the throne of boldly, can cry, can cry, can cry, can cry advantage of the children of God, have their names about them, receive the spirit of admonition, somus access to the throne of boldly, can cry advantage of the children of God, have their names about them, receive the spirit of admonition, somus access to the throne of boldly, can cry advantage of the children of God, have their names about them, receive the spirit of admonition, somus access to the throne of boldly, can cry advantage of the children of God, have their names about them, receive the spirit of admonition, somus access to the throne of boldly, can cry advantage of the children of God, have their names about them, receive the spirit of admonition, somus access to the throne of boldly, can cry advantage of the children of God, have their names about them, receive the spirit of admonition, somus access to the throne of boldly, can cry advantage of the children of God, have the children of redemption; and inherit promises as heirs of eternal salvation. Such incestuous marriages can not even be legate by any law of man or consent of the participating in the visible elements, in this sacrament, also, in order, inwardly by the fan ©, in fact and in fact, but not carnal and body, but spiritually receive and feed on Christ crucified , and all the benefits of his death: the body and blood of Christ are not, not bodily or carnally, in, with or under the pion and advice must deal or do not conclude anything, but what is ecclesiastical: and should not interfere with civil affairs that concern Commonwealth unless, through a petition humble, in extraordinary cases; or, the title of Council, to satisfy the awareness if they are required by the civil magistrate. They, who are once called and effectively and regenerated, having a new heart, and a new spirit created in them, even more sanctified, in fact and personally, through the virtue of death and resurrection Christ, by His Word and Spam that live in them: the domain of the whole body of sin is destroyed, and the vain desires are increasingly weakened and mortified; and they are more and more accelerated and strengthened in all saving wagons, for the practical of true without which no one will see the Lord. Sir. Writing the Lord Jesus committed himself more voluntarily; that he could fulfill, he was done under the law and fulfilled perfectly; He suffered more serious torments immediately in his soul, and more painful sufferings in his body. He was crucified and died, was buried and remained under the power of death, but saw no corruption. Chapter 29 of the Lord's Supper 1. Fan ©, receiving and resting in Christ and his justice, is the instrument alone of justification: but is not fan © dead, but works for love. 7. By the decree of God, by the manifestation of His halt, some men and angels are predestined eternal life; and the previous ones in eternal death. All the saints, united with Jesus Christ, his head, by his spirit and the fan ©, so communion with him in his great, sufferings, death, resurrection and glory: and being united a one to the other, they are communion in the present and so much of each other, and are obliged to perform such duties, bullies and private, as well as their good good, both in the inner and abroad man. And, therefore, as professing the true renovated religion, it should not marry infinitely, papist or other ideas: they should not be unequally united, marrying those who are notoriously wicked In your life, or keeping condemned heresies. Not only those who really professed and obedience to Christ, but also the babies of one, or both, the parents believing, must be baptized. For this sin, they fell from their original justice and communion with God, and thus were killed in sin and fully contaminated in all parts and faculties of the soul and body. Although the corruption of man is the same as that can study arguments improperly to put as those whom God has united in marriage: however, nothing Adult, or the voluntary desire that can not be remedied by the Church, or civil magistrate, is sufficient cause to dissolve the marriage van: where a public and ordained process must be processed be observed; and the people involved in it not left by their own wills and discretion, in their own case. God made, of all eternity, to decree to justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, in due time, died for his sins and rises again for his justification: however, they are not justified, Holy Spam, and the people involved in the full set of the set of really apply Christ to them. Neither Christ, in the Gospel, is by no means dissolved, but greatly strengthens this obligation. Chapter 14 of Saving Faith 1. It may not force to sin; But in anything that is not sinful, being taken, this is linked to the performance, although the mother's motto of a man. The justification of believers under the Old Testament was, in all these aspects, one and the same with the justification of believers under the New Testament. Like every man is forced to make a private confession of his sins to God, praying for his forgiveness; On which and to abandon them, he will find mercy; So, the one who scandalizes his sister, or the Church of Christ, must be disposed of, by a public or public confession, and sadness for his sin, to declare his repentance who are offended, who It's reconciling with him, and in love with receiving him. The external element to be used in this sacrament is the water, with which the party must be baptized, in the name of the Father, and of the Son, and the holy spicy, by a legally called Gospel minister. The infallible rule of interpretation of Scripture is the own scripture: and therefore, when there is a question about the true and full sense of any scripture (which is not the last, but one), it must be researched and known for other places that speak more The Lord Jesus, in his human human Thus, united with the Divine, he was sanctified and anointed with the holy spirit, above the measure, with all the treasures of wisdom and knowledge in him; In whom it pleased the Father that all fullness must live; At the end, being holy, harmless, indefinite and full of so much and true, it may be completely furnished to execute the writing of a mediator and a guarantee. His ability to do good works is not live; At the end, being holy, harmless, indefinite and full of so much and true, it may be completely furnished to execute the writing of a mediator and a guarantee. everything, but totally from the Spam of Christ. What communion, as God offers the opportunity, must be extended to all those who, everywhere, call the name of the Lord Jesus. Chapter 17 of the perseverance of the saints 1. For this catholic visible church that Christ has given to the mini -river, ornacles and orders of God, for the meeting and the improvement of the saints, in this life, The End of the World: And Doth, for his own presence and spirit, according to his promise, make them effective. We can not, by our best works, the forgiveness of sin, or the eternal life in the moms of God, by the great disproportion that is between them and the glory that is for coming; And the infinite distance that is between us and God, which we can not profit from, nor satisfy the dating of our experts, but when we did everything we can, we did, except our duty and no It is profitable servants: and because, as good, they proceed from their spicy; And, as they are made by us, they are contaminated and mixed with so much weakness and imperfections, which cannot withstand the gravity of God's judgment. Therefore, he pleased the Lord, in different times, and in various ways, reveal himself, and to declare that his will is his church; And then, for better preservation and propagation of truth, and for the stablishment and the safest comfort of the Church against the corruption of the flesh, and the badly of Satan and the world, to make the same the sacred scriptures are most necessary; These previous ways of God reveal his will to his people now ceased. To all those for whom Christ bought the redemption, he certainly and effectively applies and communicates the same; do intercession for them and reveal it, inside and by the word, the Mistances of Salvation; Effectively convincing their spats to believe and obey, and governing their hearts for their word and Spam; Overcoming all their enemies for their worderful and unscrewing dispensation. Chapter 20 of Christian Freedom £ and Freedom of Consciousness 1. The visible church, which is also careful or universal under the gospel (not confined to a noise, as before, under the law), consists in all those in the whole world who profess the true religion; And of his children: And it is the kingdom of the Lord Jesus Christ, the house and the Famaman of God, of which there is no common possibility of salvation. All the advice of God over all the necessary things for his own glory, the salvation, the fan and the life of man is expressly established in the Scriptures: so that nothing at any moment must be added, either by new revelations of the spirit or traditions of men. Therefore, those who are elected, being dwelling on, being rescued by Christ, being actually called fan ©, to the salvation. For this fan ©, a crust believes to be true, all that is revealed in the word, for the authority of the own God speaking in it; and acts differently in what each specific passage of the same contains m; give in obedience to commands, trembling by the threats and embracing God's promises for life, and what is to come. For the best government and the additional building of the Church, there must be the assemblies that are commonly called sounds or advice: and belongs to the superintendents and other rulers of the particular churches, due to their position, and the power that Christ gave them to build and not by destruction to appoint such assemblies; and meet in them, with such frequency that they will judge him expedient for the good of the Church. The doctrine of this high mystance must be treated with prudue and special care that men, participating in the will of God revealed in His Word, and producing obedience in it, can, of certainty of its vocation Effective, be guaranteed of its eternal election. Baptism is a sacrament of the New Testament, ordered by Jesus Christ, not only by the solemn admissive of the party baptized in the visible church; But also, for him, for him, a sign and seal of the alliance of the free, his ungrateful in Christ, of regeneration, remission of sins and He gives God, through © s of Jesus Christ, to walk in the novelty of life. The marriage was ordered to help the mother of husband and wife, by increasing humanity with legally and church with a sacred seed; and to prevent impurity. This alliance of so much is often established in the Scriptures by the name of a will, in the death of Jesus Christ, the testator, and eternal inheritance, with all the things that belong to him, legally. On the third day, he emerged from the death of Jesus Christ, the testator, and eternal inheritance, with all the things that belong to him, legally. u, and there was his father's right mother, intercession and return, to Judge men and angels at the end of the world. For the righteous will enter into eternal life and receive this fullness of joy and refreshing, which must the Lord's presence of the eternal torments and punished with the eternal destruction of the Lord's presence of the Lord and the gloon of his power. The will of man is done perfectly and immutable only in the state of the hat. The effectiveness of baptism is not linked to this moment when it is administered; However, despite the correct use of this order, the promised so much is not only offered, but actually displayed and conferred, by the holy spirit, to such (either age or baby) as this great It belongs to, according to the council of God's will, in his designated time. The light of nature shows that there is a God, who has the lordship and sovereignty over all, is good to all, and therefore must be feared, beloved, praised, called, confident and served, With all the soul, and with all the soul, and with all the power. Chapter 32 of the state of men after the death and resurrection of the dead 1. His promises, likewise, show them the approval of God of God and that they are waiting in his performance: although not so due to them by law as a pact of works. 2. Chapter 26 of the communion of saints 1. These angels and men, thus predestined and intended, are projected particularly and immutable, and their number is certain and definitive, which can not be increased or increased or increased diminished. As for those who are wicked, and those God, as a righteous judge, for eg, blind and hardening, he just not only retains his core, by which they could have been clarified in their understandings, and realized in their hearts; But sometimes he also removes the gifts they had and those exposed to objects such as their corruption has made occasions of sin; and without By other desires, the trials of the world, and the power of Satan, by which they are going to harden, even under those means that God uses for the softening of others. Although, in relation to the prescription and to the decree of God, the first cause, all things are immutable by the $\hat{a} \in$ hylibly; However, by the same action, he orders them to fall, according to the nature of the second causes, necessarily, freely or contingent. The external elements of this sacrament, properly separated for the uses ordered by Christ, so much relationship with him, thus truly, but sacramentally, only they are called by the name of the things they were before. Repentance for life is an evangelical gain, the doctrine from which it must be preached by every gospel minister, as well as that of fan © in Christ. Civil magistrates may not assume themselves the administration of the word and sacraments; or the power of the keys of the Kingdom of the Ct; Or, in the mother, interfere with fan questions ©. Which person is very God, and very man, still a Christ, the mediator between God and man. Chapter 3 of the eternal decree of God 1. In addition to this law written in their communion with God and had domain over the creatures. As God appointed the elected to the hammock, He, He, by the eternal and faster of His will, directed all means. Marriage should be between a man and a woman: neither is it a man for any mon to have more than one wife, nor any woman has more than one wife. Father for them; and your obedience and accepted in its place; And both, freely, not for nothing in them; Its justification of sinners. In what day, not only the angels of the apostate will be judged, but also all the people who lived on earth appear before the court of Christ, to report their thoughts, words and action. ; And receive according to what they did in the body, be it good or bad. Although the light of nature and the works of the creation and provision of the goodness, wisdom and power of God, to the point of leaving men unchanged; However, they are not enough to give this knowledge of God and will, which is necessary for salvation. From this original corruption, by which we are totally indisposition, disabled and in front of all good and totally inclined to all evil, proceed all real transgresses. As Christ would certainly be convinced that there will be a day of judgment, both to prevent all men of sin; And for the greatest consolation of the godly in their adversities: He will be that day that men, they can shake the entire carnal security and always be vigilant, because they do not know what time the Lord will be; And it may always be prepared to say, Come Lord Jesus, come quickly, am M. But because these original wools are not known by all the people of God, who are entitled to, and interest in the Scriptures, and are ordered, in the fear of God, the wool and research them, therefore, they must be translated into the vulgar language of all the naictions to which they are, that the word of God abundantly dwelling in all, they can ador it acceptably; And, through the pacion and comfort of the Scriptures, they may have hope Chapter 23 of the Civil Magistrate 1. For him, he owes angels and men, and all creatures, everything you want Service, or obedience, he is pleased to demand from them. The purest churches under the extent subject to mixture and error; And some degenerated, to the point that they did not become churches of Christ, but synagogues of Satan. Those who, through Christian freedom, practice any sin or value any luxteria, thus destroy the end of Christian freedom, which is delivered by the mothers of our enemies, we can serve the Lord without fear, in holiness and justion before him, every day of our lives. The books commonly called apost, not being divine inspiration, are not part of the scripture of Scripture and therefore not only authority in the Church of God, nor to be approved of another form, or used, in addition to other human writings. He pleased God, in his eternal proportion, to choose and order the Lord Iesus, his sonic son, only to be the mediator between God and man, the prophet, the priest and the king, the head and the Savior of his church, the Heir to all things, and judge of the world: whom he has made of all eternity to give to a people, to be his seed and to be for him with the redeemed time, called, justified, sanctified, and glorified. Chapter 18 of the guarantee of the guaran God predestined life, and only those, he is satisfied in his designated and accepted time, effectively calling, by His Word and Spam, outside that state of sin and death, where it is by nature, to the so much the salure and the sal stone and giving them a heart of flesh; renewing their wills and, by all powerful power, determining them that it is good and effectively attracting them to Jesus Christ: yet, as they are more freely, being desired by their so much. Man, for his Of sin, it has totally lost all the ability of the will to any good salvation: entrance, as a natural man, being totally averse of that good and killed in sin, is not capable of, by his own Force, to convert, or to prepare for it. This fan is different in degrees, weak or strong; It may often be and many ways attacked and weakened, but obtaining victory: growing in many to obtain a total guarantee, through Christ, which is the author and finisher of our fan ©. The works, by which he binded him and all his posterity to personal obedience, entirely, exact and permanently, promised life on the Gratifying and threatened death after violation, and donated it with power and ability to maintain it. The bodies of the unrighteous must, by their spirit, for honor; and be conformable to its glorious body. It is also used to the regenerated, restricting its corruption, as it proves sin; and the threats, in this life, they can wait for them, although freed from the threatening cursing in the law. The Lord Jesus has, in this order, he named his ministers to declare his word of institution to the people; Pray and open the elements of pion and wine, and thus to differentiate them from communicators; But for no one © but it is not present in the congregation. Although ignorant and wicked men receive the external elements in this sacrament; However, they do not receive the meaning; But by his unworthy, they are guilty of the Lord's body and blood, for his own condemnation. Chapter 12 of Adoption 1. Although it is a great sin to despise or neglect this order, but the wagon and the salvation is not so inseparably attached to it, for no person It can be regenerated or saved without it; Or that everything that is baptized is without regenerated life. And therefore, it is the duty of all to give all the diligence to make their call and election surely, that thus your heart can be expanded in peace and joy in the duties of obedience, the adequate fruits of this guarantee; ATO © now is of leaned tilted men. Babies elected, dying in childhood, regenerated and saved by Christ, through the spicy, who work when, and where, and how he pleases: so also all the other elected people who are Unable to be called externally by the Ministry of the Word. The Lord Jesus, as King and Chief of His Church, appointed a government, in the mother of the church officers, distinct from the civil magistrate. All sin, original and real, being a transgressive of the righteous law of God, and to the contrary, by its own nature, brings guilt by the sinner, by which he is linked to the wrath of God and cursing From the law, and thus assumed to death, with all the spiritual, temporal and eternal poor. The supreme judge by which all controls of religion must be determined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils of religion must be determined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, opinions of ancient writers, doctrines of men and private spories, must be examined and all the decrees of councils, and the decrees of councils, and the decrees of councils, and the decrees of the decrees of councils, and the decrees of councils, and the decrees of the decree in the Scriptures. Like the provision of God, Doth, General, reach of all creatures; So, in a more special way, takes care of her church and sinful traps, in which no Christian can get involved. All things in Scripture is not similar to themselves, nor similar to everyone: however, those necessary things to be known, accredited and observed for salvation are so Clearly proposed and open in a place of Scripture or others, which do not only learn, but unlearned, in due use of the common means, can achieve enough of them. He is more holy in all his advice, in all his commandments. This law, after its fall, continued to be a perfect rule of justion; and, as such, was delivered by God on Mount Sinai, in ten commandments and written in two tables: the first four commandments containing our duty to God; and the other six, our duty to man. Nor should it be violated, although made for heretics or infinity. Works done by men do not regenerate, though, for their guestion, they may be things that God commands; And of good use for themselves and others: yet, because they do not proceed from a heart purified by the fan ©; nor are they done correctly, according to the word; Neither for the right end, the glory of God, they are, therefore, sinful and cannot please God, or make a man find himself to receive the big man: and yet their neglect It is more sinful and cannot please God. For them, too, like a political body, he gave several judicial laws, which expired along with the state of those people; No one forces no other now, in addition to your equity may require. It is not necessary to immerse the person in the water; But baptism is correctly spilling or sprinkling on the person. or their affiliates 1. However, as in weight and moment questions, an oath is justified by the word of God, under the New Testament and also under the old; Therefore, a legal oath, being imposed by legal authority, in such matters, must be done. Chapter 4 of Creation 1. The moral law is linked forever, in addition to people justified as others, obedience; And that, not only in relation to the question contained in it, but also about the authority of God, the Creator, who gave it. Chapter 28 of Baptism 1. There is only one of the living and true God, which is infinite in being and perfect, a pure, invisible, body, parts or passions; Immutable, immense, eternal, incomprehensible, all -optic, louder, haalnder, more free, more absolute; Working all things according to the counsel of their own immutable and fairer will, for their own glory; More loving, graceful, merciful, suffering, abundant in kindness and truth, forgiving initiation, transgressive and sin; the rewarding of those who seek him diligently; What's more, the just and terrible majority in their judgments, hating all sin, and who in no way clarifies the culprits. Chapter 19 of the Law of God 1. Chapter 11 of justification 1. Although hypothesis and other men do not regenerate can be fooled in vain with false hopes and carnal presumptions to be in favor of God and ownership of salvation (which hope of them will perish): however, how to really believe in the state of so much and can rejoice in the hope of God's hammock, that hope will never be embarrassed them. This perseverance of the saints depends on their own free will, but on the immutable immutable immutable immutable of God the Father; About the effectiveness of the rite and intercession of Jesus Christ, the fulfillment of the Spam and the seed of God within them, and the nature of the alliance of the wagon: of all who also arise certainty and infallibility. Although God knows anything that may or may go through such conditions, but he has not decreed nothing because he predicted the future, or as he would go through such conditions. And the Costness of Discussion, the Effectiveness of Doctrine, the Majesty of Style, the consent of all parts, the scope of the whole (which is, to give all the glory to God), the complete discovery that makes the the same way of the salvation of man, the many other inconsistent excellence, and all the perfect, are arguments by which it rises abundantly the Word of God Still, despite our persuasion and total guarantee of the infallable and divine, its authority is the inner work of the holy witness and the word in our hearts. And, as Jesus Christ has appointed regular government and discipline in his church, no law of any commonwealth must interfere, leave or hinder the exercise of due to his, among the volunteers of any denomination of Christians, according to his own profession and creance. Chapter 31 of the sounds and advice 1. We can be moved and induced by the witness of the Church to a high and reverent esteem of the Holy Scriptures. Where the war, although the remaining corruption for a while may prevail a lot; However, through the containment supply of the sanctifying spirit of Christ, the regenerated part surpassed; And so, the saints grow in largeness, improving holiness in the fear of God. On the last day, the living alive do not die, but change: and all the dead will be united again to your souls forever. Private masses, or receiving the a priest, or any other, alone; Likewise, the denial of the glass to the people, worshiping them to any pretended religious use; are all constantly the nature of this sacrament and the institution of Christ. Therefore, swear in vain, or precipitate by that glorious and terrible name; Or, swear of any other thing, it is sinful and being disgusted. Chapter 21 of the religious worship and the bad day 1. It is cool that all kinds of people are married, who are able to judge their consent. It belongs to sounds and advice, minally to determine fan control and awareness cases; Establish rules and directions for the best order of the Public Worship of God and the Government of His Church; Receive complaints in cases of administration and authoritatively determine the same: which decrees and determinations, if dependent on the word of God, must be received with revise and submissive; Not only by its agreement with the Word, but also by the power by which they are made, as an order of God appointed in Him in His Word. Religious worship must be given to God, the Father, Son, and Holy Spam; And for him alone; No angels, saints or any other creature: and since the fall, no mediator; neither in the media of any other except Christ, only. Chapter 6 of the fall of man, sin and his punishment 1. Chapter 24 of marriage and division 1. Fan's so much, whereby the elected can believe in the salvation of their souls, it is the work of The The Spam of Christ in their hearts, and prayer, © © and strengthened. But the main acts of saving the fan is accepting, receiving and resting only on Christ for justification, sanctification, sanctification, sanctification and eternal life, due to the alliance of the big manner. This one has kept saint to the Lord when men, after a proper preparation of their hearts, and ordering their common an anterior affairs, not just observing a rest. Sacred, all day, of their own works, words and thoughts about their jobs and recreation worlds, but also adopted, all the time, in the bullied and private exercises of their worship and duties in duties in duties of necessity and mercy. God, in his common provision, makes the use of means, but is free to work without, above and against them, his pleasure. So two whole, perfect and distinct natures, deity and masculinity, have become inseparably united in a person, without conversation, composition or confusion. Marriage must not be within the degrees of consanguinity or affinity prohibited by the word. The authority of the Holy Scriptures, to which it must be believed and obeyed, does not depend on the testimony of any man or church; but totally about God (which is the truth) its author: and therefore must be received, because it is the Word of God. The end of the name of this justice, in the condemnation of the failed, who are perverse and disobedient. He pleased God the Father, Son and Holy Spam, by the manifestation of the hammock of his eternal power, wisdom and kindness, in the space of six days; And all very good. Infidelity, or difference in religion, does not make magistrates only legal authority and authority, nor release people from their proper obedience to them: The ecclesiastical people are not exempt, much less the Pope any power and jurisdiction to them of their domains, or about any of their people; And, less of all, they deprive them of their domains or lives, if they judge them as heretics or any other claim. They, whom God have accepted in their beloved, effectively called and sanctified by their Spam, may not finally move away from the state of bulk, but certainly persevere at the end and are eternally saved. This alliance was administered differently in the process of law and in the time of the Gospel: under the law, it was administered by promises, prophecy, sacrifice, circumcision, paschal lamb and other types and orders delivered to People of the Jews, all predicting Christ to come; that, at that moment, were sufficient and build the elected in the promised Messiah, by whom they had total sins and salvation eternal; and is called the Old Testament. Good works are only as God ordered in his holy word, and no as, without his warrant, they are created by men, blind zeal or with any pretense of good intensity. And for the publication of such opinions, or maintenance of such practices, the light of nature, or to the known principles of Christianity (either on fan ©, worship or conversation) or the power of piety; Or, or practical opinions, as well as their own nature, or in the way of publishing them or maintains them, are destructive to the external peace and order that Christ established in the Church. And churches in particular, who are members, more or less pure, according to the doctrine of It is taught and embraced, the administered orders and the pillful cult had a more or less pure performance in them. Chapter 33 of the last judgment 1. By him, a sinner, outside the vision and meaning, not only danger, but also of the filth and the odiosity of his sins, as a sacred nature and the law just of God; And after the apprehension of his mercy in Christ to which they are penitent, he suffers and hates his sins, so as to move away from everyone to God, proposing and trying to walk with him from all the time in every man; However, imperfect in this life, there are still some remnants of corruption in all parts; From where a containing and irreconcilable war arises, the meat coveting the spicy against the flesh. Anyone who takes an oath should properly consider the weight of a solemn act, and to avoid nothing in addition to what he is totally persuaded is the truth: no man can bind to the oath to anything except the That it is good and fair, and what he believes to be, and what he is capable and decided to perform. And, stating and sustaining that they can, it is very harmful and to be hate. 8. In the unity of divinity, there are only people, of a substance, power and eternity: God, the Father, God, the Father is not any, nor, nor generated or

continuing; The Son is eternally generated by the Father and translates him into the state of the so much, he adds him from his natural slavery under sin; And, by his so much, he allows him freely to the will and to do what is spiritually good; However, so, as the reason for its remaining corruption, it is not perfectly, not only what is good, but also what is bad. This The guarantee does not belong to the fan ©, but that a true believer can expect a lot and conflict with many difficulties before being participant of her: yet, being allowed by the Spam to know the things that are given freely from God He can, without extraordinary revelation, in the right use of common means, reach the same. These good works, done in obedience to the commandments of God, are the fruits and evidence of a true and lively fan: and by them the believers manifest their gratid, strengthen their guarantee, build their sister, adorn to Profession of the Gospel, they stop the mouths of the adversion, and glorify God, whose work they are created in Christ Jesus, who, having their fruits for holiness, they can have the end, eternal life. For the best attraction of these purposes, church officers must continue for warning; suspension of the Lord's Supper for a season; and by excommunication of the church; According to the nature of the crime and the right of the person. In this sacrament, Christ is not offered to his father; neither any royal sacrifice made, for remissions of sins of the roasted or dead; But only a celebration of the church; According to the nature of the crime and for all: and a spiritual oblation of all possible praise to God, for it: so that the sacrifice Mass Pop (as they call it more abominably harmful to Christ, our Lord in the Gospel; that is, baptism And the Lord's Supper: None of whom can be dismissed by any, but by a legally ordained minister. Chapter 7 of God's Alliance with Man 1. The Son of God, the second person in the Trinity, being God being very and eternal, of a substance and equal to the father, when the That time has come, face the nature of man, with all the essential properties and their common diseases, but without sin; being conceived by the power of the Holy Spam, in the womb of the Virgin Mary, of his substance. Our Lord Jesus, the night he was betrayed, instituted the sacrament of his body and blood, called the Lord's Supper, to be observed in his church, at the end of the world, to the perpetual remembrance of Sacrifice of himself in his death; The prohibition of all the benefits of himself in his church, at the end of the world, to the perpetual remembrance of Sacrifice of himself in his death; The prohibition of all the benefits of himself in his death; The prohibition of all the benefits of himself in his death; The prohibition of all the benefits of himself in his death; The prohibition of all the benefits of himself in his death true believers, their spiritual food and growth in it, their additional involvement and all the duties they owe it; and to be a vain and promise of his mother body. And that they can be activated, in addition to the so much that they have received, is necessary a real influence of the same holy spirit, to work in them for their will and do, of their good pleasure: They are growing negligent, as if they were not required to do no duty unless a special movement of the Spam; But they should be diligent in provoking the so much so Testament, the freedom of Christian is expanded, in their freedom of the yoke of ceremonial law, which Jewish church was subjected; and in greater boldness of access to the throne of the wagon, and in the more complete communications of God's free spirit, than believers under the law normally participated. This doctrine that maintains a change of substance of pion and wine, in the substance of the body and blood of Christ (commonly called transubstation) by the consecration of a priest, or any other way, it is disgusting, not for the Scriptures alone, but even to common sense and reasons; overthrow the nature of And it has been, and is the cause of MOTHERS Supersion; Yes, of rude idolatrias The Catholic or Universal Church, which is invisible, consists of the entire number of elected, which were, or being gathered in one, under Christ, his head; And it is the crannjuge, the body, the fullness of the one who fills everything. The sacraments of the Old Testament, in relation to spiritual things, thus meant and exhibited, were, by substance, the same with those of the new. He is the source alone of all being, of whom, through whom and to whom they are all things; And he has the most sovereign domain over them, to do for them, for them, or about them their own to please. Not even communion with each other, like saints, takes or infringes the title or property that each man has in his goods and possessions. It is so much that is displayed in or by the sacraments used to correctly, it is not conferred by any power in them; Neither the effectiveness of a sacrament depends on the piety or integration of it that administers it: but the work of the Spam and the work of the institution, which contains a precept that authorizes the use, a promise of beneficial for worthy receivers. No man can swear to do anything forbidden in the Word of God, or what would prevent any duty commanded, or that is not in his own power, and by the performance of which he has no promise of God's ability. forgiving their sins and containing and accepting their people as righteous; not for nothing forged in them, or done by them, but only because of Christ; nor imputing the obedience and satisfaction of Christ to them, they receive and rest on him your justion, by the fan ©; What a fan © they are not their own, the gift of God is. An oath should be done in the clear and common sense of words, without equity or mental reserve. This is their sin, God was satisfied, according to His Sacred and Sacred Lawyer, to allow, having intended to order him his role. In addition to these two places, for souls separated from their bodies, the Scriptures recognize none. God, the Supreme Lord and King of the whole world, ordered civilian magistrates, to be under him, upon the people, for his own glory, and the public good: and for the punishment of evildoers. Under the name of the Holy Scriptures, or the Word of God written, now is contained in all the books of the ancients and new wills, which are these: From the Old Testament: GãaNesis II Chronicles Daniel Exodus Ezra Hosea Leviticus nehemiah Joel NoMEROS Esther Deuteronomy Job Obadiah Joshua Psalms Jonah Jolge Proverbos Micah Ruth Ecclesiasses Nahum I Samuel to the World's Cana Purchase according to James Matthew's efidos, the Philippians, the first, second, the acts of the thymus and term and third episices bets to Timothy II II of Employs of Jool Paulo Titus to the Epostle for the Romans for Philemon of Jude, Corns, the epostle of Revelation. The Corinthians II II, the Hebrews of John, all who are given by God's inspiration to be the rule of fan and life. The Lord By his perfect obedience and sacrifice of himself, that he, through the eternal spicy, once offered to God, fully satisfied his father's justice; And he bought it, not only reconciliation, but an eternal inheritance in the Kingdom of the Cã © US, for all those the Father has given him. So, how, a man is doing well and opening evil, because the law; And, not under much. The freedom that Christ bought for believers under the Gospel is his freedom of the guilt of sin, the condemning wrath of God, the cursing of the moral law; and, when delivered from this current evil world, slavery to Satan and the eternal condemnation; As well as in his free access to God, and his obedion giving him to Him, not for slender fear, but a childish love and the willing mind. Chapter 16 of good works 1. Christ, in the work of media, acts according to the two natures, by every nature that does what is appropriate for themselves; However, in the reason of the person's unity, what is suitable for a nature is sometimes in the attributed deeds called by the other nature. All ceremonial laws are now revoked under the New Testament. Although true believers are not under the law as a pact of works to be justified or condemned; However, it is of great use to them, as well as to others; In this, as a rule of life, informing them of God's will and duty, she directs and connects them to agree; Also discovering the sinful pollutions of their nature, hearts and lives; Thus, examining, thus, they can come to an additional condemnation of humiliation and the sin, along with a clearer view of the need than Christ, and Perfect of your obedience. God continues to forgive the sins of those who are justified; And although they can never fall from the state of justification, yet, by their sins, they fall under the paternity of God, and do not have the light of their countenance restored to them, they humble themselves, They confess their sins, beg, and renew their fan and regret. All powerful power, umbrellae wisdom and the infinite goodness of God will now manifest themselves in their provident, which extends to the first fall and all the other sins of angels and men; And that is not a naked permission, but as Hath joined him a more diverse and more powerful limit, and otherwise to ordain, and rule them, in a distribution Mother Black, for his own sacred purposes; However, thus, as the sinfulness of this proceeds only from the creature, and not God, which, being the holy and just, is neither the author or approving of sin can be. The name of God is only the one by which men should swear, and in it must be used with all fear and holy revision. Chapter 5 of Providian 1. Thus, this doctrine must offer the Mattanal of Praise, Review and Admiration of God; and of humility, diligence and abundant consolation to all this sincerely obeys the gospel. In addition to this law, commonly called moral, God had the pleasure of giving the people of Israel, as a church below age, ceremonial laws, containing various instructions of moral duties For these officers, the keys to the kingdom of the committed; because of what they are power, respectively, to retain and send sins; close this kingdom against the impenitent, both by the word and censorship; and open it to penitent sinners, by the Ministry of the Gospel; and by censorship acquittal, as an occasion demand. It is not to be made for any creature, but only to God: and to be accepted, it must be done voluntarily, by fan and awareness of the duty, in terms of thanks for the mercy received, or by obtaining what is obtaining what is obtaining what is obtaining what is obtaining what we want, by which we are most strictly linked to the necessary duties; Or, for other things, now and as long as they can be properly conducted. Nor are the most successful uses of the containment law to the gospel, but it will fulfill it sweetly; Christ's Spam subjugating and allowing man's will to make it freely and happily, that God's will revealed in the law, requires that it be done. The Old Testament in Greek (which, in writing, was better known by the naães), being immediately inspired by God, and, by its care and unique provision, kept pure in all ages, so, therefore, self -sominated; So, as, in all the controls of religion, the church finally appeals to them. 4. Christ, by his obedience and death, completely resigned from all those who are justified and made an adequate, real and total satisfaction of his father's justice in his name. Chapter 27 of the Sacraments 1. as there is no sin so small, but deserves condemnation; Therefore, there is no sin so small, but deserves condemnation; Therefore, there is no sin so small, but deserves condemnation of those who really repent. mistakes; And many made a mistake. Only God is the Lord of consciousness, and left -free of the doctrines and commandments of men, that they are, in anything, to the containment of His Word; or beside him, if fan questions, or worship. Which writing he did not take himself, but was called by his father, who placed all power and judgment in his mother, and gave him commandment to execute the same. Where he will judge the world, justice, by Jesus Christ, to whom all power and judgment are data of the Father. Therefore, they should not be made the fan rule ©, or the practical; but be used as a help in both. to the p³ and see the corruption: but their souls, who neither die nor sleep, having an immortal subsistence, immediately returns to God who gave them: Souls of the righteous, being enhanced in holiness, are received in the highest CT, where they see the face of God, in light and glory, waiting for the total redemption of their bodies. Man, in his state of innocence, had freedom and power of will and do what was good and well pleased to God; But yet, mutually so that he can fall from it. Chapter 10 of the Effective Call 1. It is a dizzy that Christians accept and execute the position of a magistrate, when called the same: in managing what they should, especially to maintain mercy, justion and peace, according to the healthy laws Thus, for this purpose, they can legally, now under the New Testament, the salary war, at a fair and necessary occasion. Others, not elected, although they may be called by the ministry of the word, and may have some common operations of the spicy, but never really come to Christ and therefore cannot be saved: much less men, Not professing Christian religion, be saved in any other way, or so diligent to frame their lives according to the light of nature and the world, the prevalence of the remaining corruption in them and the neglect of the means of their preservation fall into serious sins; And for a while, continue in it: whereby they incurred deprived of some extent of their farms and comforts, has their hardened hearts and their wounded awareness; Hurt and scandalize others, and bring temporal judgments over themselves. enjoy communion with him, they are unworthy of the Lord's table; And it cannot, without great sin against Christ, while they remain, participating in these sacred mystance, or being admitted to it. Chapter 22 of legal oaths and votes 1. The rest of humanity God was satisfied, according to the unfortunate lawyer of his own will, by which he extends or resumes the mercy, as pleases, by the hatch of his sovereign power over your creatures, to pass by; And they order them dishonor and wrath for their sins, to praise their glorious justice. It is the duty of people to pray for the magistrates, honor their sins, to praise their glorious justice. It is the duty of people to pray for the magistrates, honor their sins, to praise their glorious justice. It is the duty of people to pray for the magistrates, honor their sins, to praise their glorious justice. It is the duty of people to pray for the magistrates, honor their sins, to praise their glorious justice. It is the duty of people to pray for the magistrates, honor their sins, to praise their glorious justice. It is the duty of people to pray for the magistrates, honor their sins, to praise their glorious justice. It is the duty of people to pray for the magistrates, honor their sins, to praise their glorious justice. It is the duty of people to pray for the magistrates, honor their sins, to pray for the magistrates, honor the magistrates, by awareness of cases. Notwithstanding, the people of the believers who are accepted by Christ, their good works also accepted in it; Not as if they are in this life totally unflapted, we are unchanged from God; But that he, looking at them in his son, has the pleasure of accepting and rewarding what is sincere, though accompanied by many weaknesses and imperfections. Neither the prayer, nor any other part of the religious worship, is now, under the gospel, linked to or made more acceptable from anywhere, in Spam and Truth; As in private Fanly daily and in secret, each alone; Therefore, more solemnly in the assemblies bullies, which are not carelessly or intentionally to be neglected, or abandoned, when God, by His Word or Providencia, call the It is no other head of the Church, but virtue, effectiveness and benefits have been communicated to the elected, in all ages successively since the Awnness of World, in these promises, types and sacrifice, in which he was revealed and meant being the seed of the woman who should hurt the serpent's head; and the lamb killed since the Unacio of the World; Being yesterday and today the same, and forever. God, the great creator of all things, defends, directly, discards and rules all creatures, actions, according to the most strong and holy provisions, according to the institute, and free and f goodness and mercy. The prayer, with the day of a shame of so much, being a special part of religious worship, is by God required of all men: and to be accepted, It must be done in the name of the Son, for the help of his spicy, according to his will, with understanding, reverence, humility, fervor, fan ©, love and perseverance; And if vocal, in a known bone. © 1996-2014. Amazon.com. Inc. Chapter 30 of Church Censorships 1. However, as parents of nursing, it is the duty of civilian magistrates to protect the church from our ordinary Lord, without giving preference to any denomination of Christian above the rest. Such that all ecclesiastical people, whatever they enjoy complete, free and unquestionable freedom to discharge all parts of their sacred functions, without guitar or danger. There is, in every sacrament, a spiritual relationship or sacrament, a spiritual relationship or sacrament, a spiritual relationship or sacrament and the thing meaning: where it passes, that the names and effects of one are attributed to the other. Therefore, there are no two bullies, differing in substance, but one and the same, under the vain disorders. Guy, His fall, having become incapable of life by that alliance, the Lord was pleased to make a second, commonly called the alliance, the Lord was pleased to make a second, commonly called the alliance of much; where he freely offers the life and salvation of sinners by Jesus Christ; demanding that they fan © in it, so that they can be saved and promising to give all those who are ordered eternal life their holy spirit, to make them arranged and capable of believing. believe.
